6,000 LB.  
**Single Column Parking Lift**

Now you can double your parking space. Safe, easy to use parking lift takes up minimal space yet doubles your parking.

**Features:**
- 6,000 lb. capacity can handle most vehicles and light trucks
- Low profile approach ramps for vehicles with low ground clearance
- Lift can be installed to lift from left or right side
- Minimal footprint allows for multiple installations
- Low post height allows for low ceiling residential installations
- Commercial grade hydraulic cylinder and heavy-duty leaf chain
- Reliable DURO electric/hydraulic pump
