

16-1/2" DRILL PRESS

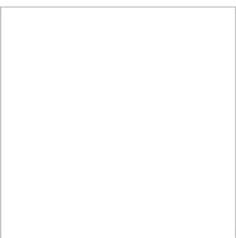

354169

The JET JDP-17MF Floor Drill Press is a true woodworker's drill press. With 16 speeds, it lets you choose the best speed for the job. It comes equipped with a quick release crank operated worktable, work light, X-pattern mounting grooves, depth stop, and adjustable tension spindle return spring which is ideal for repetitive drilling of the same depth.

FEATURES

- "X" pattern mounting grooves in table allow mounting a fence when table is in reverse position
- 16 Speeds lets you choose the best speed for the job
- Adjustable tension spindle return spring
- Adjustable tension spindle return spring is ideal for repetitive drilling of the same depth
- Built-in worklight (bulb not included) provides additional visibility of your work
- Depth stop displays inch/mm and has a quick set bolt for fast, accurate adjustments
- Hinged metal belt and pulley cover
- Hinged metal belt and pulley cover provides easy access to the quick adjustment motor mount to allow rapid spindle speed changes
- Quick release crank operated worktable height adjustment rotates + or - 45° for versatility
- Spindle has high-quality ball bearing construction for long life

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
