

JWS-22CS, 1-1/2HP SHAPER, 1PH 115/230V, 1/2" AND 3/4" SPINDLE

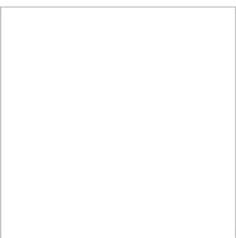

708320

If you're looking for a space-saving shaper for your shop, the new JET JWS-22CS Shaper is what you need. This compact powerhouse features a 7000 and 9000 RPM reversing 1-1/2HP motor. The large 22-3/8" x 18-1/8" precision ground cast iron table provides a large, durable, work area. Safe, easy cutter set up is assisted by a positive detent spindle lock. The independent left and right fences feature micro-adjustment, and a built in 4" dust port. If you feel you just don't have the space, the nominal 23" x 25" footprint of this workhorse is sure to change your mind. Put the new JET JWS-22CS Shaper in your shop today, you'll know why JET products are "Built Better to Build Better."

FEATURES

- 1/2" & 3/4" Interchangeable spindles and router bit collets for use with shaper cutter and router bits
- 22-1/4" x 18-1/8" solid cast iron table provides a durable work area
- 4" dust port connects to your collection system to keep your workplace dust and debris-free
- Extra-large handwheel is conveniently located for fast, easy and accurate spindle height adjustments
- Forward/reverse switch for left and right hand operation
- Fully enclosed, heavy-duty steel stand has a removable cover for easy motor access
- Independent left and right fences feature micro-adjustment and have zero-clearance capability
- Powerful 1-1/2HP motor delivers dependable power, even on heavy jobs
- Starting Pins for irregular shaping
- Two adjustable work hold-downs to secure your work while shaping
- Two reversible spindle speeds lets you select the best speed and torque for different cutter diameters

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
