

JJ-6HHDX, 6" LONG BED WOOD JOINTER WITH HELICAL HEAD KIT

708466DXK

Any serious woodworker knows that square and flat stock is the key to producing fine work, so it's time to skip the hand tools and graduate to the JJ-6HHDX 6" long bed jointer. This beast boasts a helical insert cutterhead with staggered carbide inserts yet runs quietly and smoothly. Its exclusive front-mounted table adjustment handwheels make quick, easy and accurate corrections. Extra-long heavy-duty cast iron infeed and outfeed tables with precision-machined finish allow jointing of longer boards without tipping. Best of all, it comes with JET's industry-leading customer service professionals standing by to assist from setup to output.
