

JJP-12HH 12" PLANER /JOINTER WITH HELICAL HEAD

708476

The innovative JET JJP-12HH Helical Head 12" Jointer/Planer takes our award-winning jointer/planer combination machine and makes it an ever better investment. With the addition of our quality helical cutterhead with indexable carbide inserts, the all-new JJP-12HH sets the standard for creating superior stock in your own workshop.

FEATURES

- Built-in dust chute with 4" dust port used for both jointing and planing operations
- Extra large aluminum extruded fence with centered controls for quick adjustments
- Extremely quick changeover between jointing and planing functions. Fence does not need to be removed
- Heavy-duty cast iron table
- Heavy-duty cast iron tables with a machined finish to ensure accuracy and flatness
- Heavy-duty, one-piece steel closed stand includes mounting tabs for increased stability
- Helical cutterhead with indexable carbide inserts for a superior finish and quieter cut
- Large aluminum extruded fence
- Large handwheel for quick and precise adjustments of planer table
- Magnetic switch provides safer and more reliable operation
- Parallelogram design keeps the table close to the cutterhead for improved finish and allows for precise depth of cut adjustments
- Powerful 3HP induction motor easily handles the toughest jointing and planing tasks

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
