

JWBS-14DXPRO, 14" DELUXE PRO BANDSAW KIT

710116K

The JWBS-14DXPRO 14" Deluxe Bandsaw from JET (shown here with optional fence) has been designed to meet the needs of today's most demanding woodworkers. Gone are the days of adding a riser block; this 14" bandsaw comes with a massive cast iron frame for increased power that makes it ready to meet all resaw expectations head-on. Couple this incredible feature with a new high tension spring design and many more amazing features, and you have a bandsaw that will last for years to come. Put a new JET 14" Bandsaw in your shop and you'll know that JET tools are Built Better to Build Better.

FEATURES

- 2 Speed poly-v belt drive system
- Blade guide post with rack and pinion adjustment
- Built-in 12" resaw capacity for cutting larger pieces of wood
- Built-in retractable blade guard moves vertically from 0-12" resaw
- Cast iron frame
- Easy to view blade tracking window
- Enclosed stand with storage shelf and easy access door
- High tension spring design allows for greater blade tensioning
- Quick release blade tension for convenience
- Upper and lower ball bearing guides reduce friction for longer blade life
- Upper and lower cast iron frame for increased strength and rigidity

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
