

# JWBS-14SFX, 14" BANDSAW, 1-3/4HP, 115/230V

714400K

The newest addition to the JET Bandsaw lineup, the JET 14" SFX Steel Frame Bandsaw redefines the line between functionality and affordability. The large, cast iron table features 360 sq. in. of work surface for greater work piece support when making deep cuts. The machined aluminum fence system features easily visible measurements for the most accurate cutting. This saw is equipped with JET's easily adjustable blade guide system, makes adjustments quick and simple. The JET 14" Bandsaw also features over 13 inches of resaw capacity, and dual 4 inch dust ports for maximum dust collection efficiency. Heavy duty tubular steel welded construction, robust stamped steel doors with welded steel pin hinges, and heavy duty base, allows for stability and durability when sawing large work pieces. The JET 14" SFX Bandsaw provides the woodworker all the premium features of a higher end saw with superior performance to complete any project.

## FEATURES

- Blade tensioning wheel located on top of the saw for better work piece clearance when cutting
- Convenient 115V AC outlet location for optional accessories
- Deeper table with a massive 360 sq. in. of cast iron work surface for greater work piece support
- Dual 4" dust ports for maximum dust collection efficiency
- Engineered die-cast and steel trunnion system, allows for single point adjustments when moving table
- Heavy duty base for maximum stability when sawing large work pieces
- Heavy duty tubular steel welded construction
- Independently adjustable, upper and lower ball bearing blade guides
- Larger machined aluminum fence surface with easily visible measurements for the most accurate cutting
- Over 13" Resaw capacity for cutting large pieces of wood, slicing veneers, and cutting book matched panels
- Oversized lower bearing bolt pattern for maximum strength and rigidity
- Robust stamped steel doors with welded steel pin hinges for greater product durability

## JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
