

# 17" DRILL PRESS

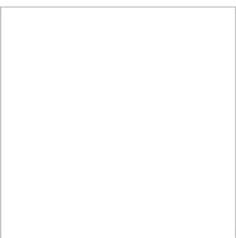

716300

Introducing the new JET JDP-17, 17" Drill Press. From a full 5" of spindle travel to the sturdy cast iron head with a poly v-belt drive system, this drill press is designed to perform. This drill press also features a long-lasting, built-in LED work light to provide direct lighting while reducing shadows. A large 14" x 19" work table provides plenty of support with an edge designed for easy clamping.

## FEATURES

- CSA Certified
- Integrated depth stop makes repetitive drilling quick and easy
- Large 14" x 19" precision ground work table features twin T-slot grooves and 4 table slots to accommodate any project
- Large cast iron base provides stability
- Long-lasting, built-in LED work light reduces shadows
- One-handed belt tensioning allows for rapid speed changes
- Power switch features a safety key and large, paddle-style off button
- Powered by an efficient 3/4HP, 1Ph, 115V TEFC motor and poly-v belt drive system
- Replaceable MDF table insert
- Spindle travels a full 5" with one revolution of the handle
- Table edge lip designed to make clamping easy
- Xacta-X laser system easily identifies the drill center

## JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
