

15" JET STRAIGHT KNIFE PLANER, JWP-15B

722150

For projects that require board thickness to be beyond exact, the New JET 15" Straight Knife planer gets the job done with ease. This sweet machine features a monster 3-horsepower motor with two speed gear box to adjust your feed rate for a better finished surface. The innovative Precision Air Strut System (PASS™) provides consistent upward pressure on the cutterhead, reducing the chance of board snipe. Its rock-solid table is constructed of cast iron and features Steel infeed/outfeed table extensions that conveniently fold out of the way. And because even the coolest power planer is one of the messiest machines on the planet, JET's angled 4" dust port keeps your dust hose out of the way for easy hookup on your shop's dust collection system.

FEATURES

- 4" Dust Port hooks up to dust management system and helps keep shop clean
- Dual infeed speed control for 16fpm or 20fpm, maximizes cut efficiency
- Dust Port hooks up to dust management system and helps keep shop clean
- Heavy-duty folding infeed/outfeed tables provide support for work pieces and fold for convenience
- Heavy-duty precision ground cast iron table and four post design provides maximum control and support when passing boards through planer.
- Innovative JET - Precision Air Strut System (PASS™) provides consistent upward pressure on the cutterhead, reducing the chance of board snipe
- Large hand wheel with positive gear drive easily moves the head to the desired board thickness
- Magnetic Switch with green safety light illuminates when powered
- Maximum depth of cut 1/8", 6" cutting height and 15" width capacity
- Powerful 3-HP motor with v-belt transmission reduces vibration and running noise
- Straight Cutterhead has three high-speed steel knives that lock firmly in place to prevent movement while in use

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
