

## JWSS-18B 18" SCROLL SAW

727300B

Say hello to JET's 18" scroll saw. Combining best-in-class features with innovation and thoughtful design to create the machine you've been waiting for. The best part about this saw is the blade change process. Our exclusive upper mechanism clamps and tensions the blade in one step. In addition to the upper mechanism, the toolless lower blade holder is removable and the table features a slot for the blade. The features don't stop there: this saw offers eighteen inches of throat capacity and an arm that tilts forty five degrees right and thirty degrees right. This saw is designed to optimize your scrolling experience. From the variable speed range to a top lift, spring loaded arm it comes fully loaded with all the features you'd expect.

### FEATURES

- Arm tilts 45° right and 30° left, keeping the work table flat for more accurate cutting
