50 Ton Capacity Hand Pump Operated Shop Press

INTENDED USE
Heavy duty use in truck garages and industrial work shops.

FEATURES
- Welded frame, fully assembled, tested, and ready to put to work.
- Manually operated two speed pump provides quick ram travel to load.
- Safety overload system protects power unit.
- Hand operated winch raises and lowers press bed.
- Liquid filled gauge measures ram force in pounds and tons.
- Self-retracting ram is bearing mounted for lateral movement on head channel.
