

# SG UPRIGHT GROOVER

UL APPROVED  
1/2 HP-110V-20AMPS

## PRODUCT FEATURES

Re-grooving of approved truck tires is a common process for truck, bus and fleet companies. The straight line, cold cut, **SG Upright Groover** is designed specifically to meet this need. Most truck tires have 6/32" of under tread. Precision, adjustable re-grooving on the SG Upright Groover will increase the tire life and extend the available mileage of truck tires, including non re-capable type by as much as 15,000 miles per 1/32 of an inch.
