

**TIRE SERVICE INTERNATIONAL**

**TJ-110w**

- **11 ton lifting capacity**
- **ideal for lifting larger Off-Highway and heavy farm equipment.**
- **Works great on truck and trailers too! The extending piston increases lifting range without the need for blocks**
- **An aluminum cylinder helps decrease the overall weight of the unit. equipped with a 3-way air control valve for fast action.**
- **The additional handle and wheels is designed to make this jack mobile for ease of use wherever you are.**
