

12K SCISSOR

WHEEL ALIGNMENT LIFT

ENGINEERING UNLEASHED™

12K SCISSOR

ENHANCED EFFICIENCY SUPERIOR PERFORMANCE

The Hofmann® 12k Scissor alignment lift stands as a testament to both engineering expertise and automotive service efficiency. With its 12,000-pound load-bearing capacity, this lift is synonymous of ruggedness and durability. Its open-front design redefines accessibility standards, granting mechanics and technicians unfettered access to alignment service and calibration areas. This ergonomic and intuitive layout not only enhances productivity but also ensures precise alignment work, making it an indispensable asset in the modern automotive service workshop.

FLUSH OR SURFACE MOUNT

Maximize workspace space with a flush mount installation that seamlessly integrates into your shop and discreetly retracts into the floor when not in use. Surface mount installations are cost-effective and known for their stability, low profile, ease of use, and reliability, making them valuable tools in any automotive repair shop.

INTEGRATED REAR SYNCHRONIZATION BAR

A sturdy, high-strength steel rod supports steady vertical motion during operational procedures.

DRIVE-THROUGH OPTION

Enhance your lift's functionality by adding an additional set of ramps, enabling vehicles to exit from the front without the need for reverse maneuvering.

RETRACTABLE RAMPS

Approach ramps extend to a generous 87 inches to accommodate vehicles with a low profile, and they retract to a compact 35 inches when not in active use, to optimize space efficiency.

TECHNICAL SPECIFICATIONS

Lifting Capacity	12,000 lbs. 5,443 kg
Configuration	Open Front
Overall Width	90" 229cm
Overall Height	70" 178cm
Max Lifting Height	70" 178cm
Lifting Time	95 seconds
Power Requirements	230V 60Hz 1Ph 20A 2HP 1.5kW
Air Supply Required	90-140 PSI @ 5-10 CFM
Minimum Recommended Bay Size (WxL)	15'x25' 457x762cm

STANDARD ACCESSORIES

Turn Plates, Jack Beam, Rollback Kit, Pullout Step, 14K Steel Line Cover Kit

OPTIONAL ACCESSORIES

Drive Through Kit Surface Mount (EAK0299T31A)

Surface Mount	EELR709APKG
Flush Mount	EELR724APKG

US 800.251.4500

CANADA 800.267.2185
